

Growth 2021-2025: UC systemwide and the ten campuses (excluding health care)

Source: ucannualwage.ucop.edu payroll rows, gross pay; categories from data/title_categories.csv. Admin = SMG + academic administration + staff management; health-care titles excluded. End labels: the LEVEL in the last year (headcount, total, or average per row), with % change since the start year in parentheses.
Lecturers: 2022 rows paid under \$5k by people absent from the 2023 payroll are excluded (retroactive contract payments; 2,570 rows systemwide). EST full-time U18 lecturers = the N highest REGULAR-pay lecturer rows, N = UCOP's October full-time lecturer headcount; their gross pay is plotted.
* Campus with a medical center: medical-center staff and health-system executives are excluded by payroll title (best effort; see docs/title-categories.md).
Senate faculty and teaching professors EXCLUDE HCOMP/clinical faculty (Professor-HCOMP, In Residence, Of Clinical X, HS Clinical).
CA CPI-W (Dept. of Finance) is dashed gray. Local metro CPI-U is dashed purple when data/reference/cpi_local.csv has it.
